

Dear Community Partner,

Camp Erin® Boston is a free bereavement camp for youth and their families who are grieving the death of a significant person in their lives. Offered at no cost to all participants, Camp Erin Boston offers youth and their families grief support, recreational and expressive arts activities, and the opportunity to meet peers who are also grieving.

Camp Erin Boston is a program of Good Shepherd Community Care, which is one of the most trusted not-for-profit health care providers in Greater Boston focusing on hospice and palliative care.

- *Since 2013, Camp Erin® Boston has hosted 15 bereavement camp sessions and supported more than 1100 children, teens and their families who are grieving the death of a significant person in their lives.*
- *Camp is run with the support of over 100 dedicated volunteers per session.*

Following eight years of successful and enjoyable golf tournaments, Good Shepherd Community Care is thrilled to partner with the Rokes family to host the **9th Annual Golf Tournament** to benefit Camp Erin Boston. The event will be held **Monday, June 15, 2025 at the Wayland Country Club.**

In order to fund summer programming for as many grieving children as possible, we are fervently seeking sponsorships at several levels from our business community.

On behalf of children who are grieving in our community, we would be extremely grateful for your support this year. If you have any questions regarding sponsorship, please contact the Development Team at giving@gscommunitycare.org.

Thank you in advance for your consideration and we look forward to hearing from you.

Sincerely,

Your Friends at Camp Erin Boston, Good Shepherd Community Care and the Rokes family
